Getting Around Town

Occupying a full city block in the heart of Capitol Hill, the Hyatt Regency is 2 blocks from the U.S. Capitol and Union Station and walking distance to national and cultural attractions, restaurants and theaters. Metrorail and Metrobus provide the safest, cleanest and most efficient way of getting around Washington, DC and the metropolitan suburbs. Visit <http://www.metroopensdoors.com> for route and fare information. Visitors should be mindful of their surroundings and refrain from venturing into the sparsely populated areas, especially at night. These are precautions that one would be expected to take in any big city.
